

ANNUAL HANGAR CLEAN OUT

(Saturday, November 7, 2015)

Join us for a nice day at the airport, rearranging the chapter hangar, assessing 'stuff' that has been collecting and having a good day in camaraderie.

If the weather is good, it should be a busy day at the airport with some other hangars open so join us for some fun and a little work party.

9:00 AM Saturday November 7th, 2015

Folks usually meet at the restaurant early for breakfast (8:00 AM or so).

And don't forget the annual November Pot Luck meeting on **November 20th**

See the upcoming newsletter (November) for more details on the pot luck.
