Very Recent Workshop Nite Activities...

This is the first time this airplane has seen the light of day in a loooooong time. This is a beautiful T-18 that belonged to a very long time member, Ed Burke (sure do miss you, Ed!) who passed away in 2002

Come to the picnic
and you can see it!

There she goes, off to be washed in preparation for advertising for sale.

EAA CHAPTER 45 BOARD OF DIRECTORS MEETING

MINUTES ** 2015-05-08 Secretary: John Handis

Meeting was called to order at 19:43 EDT by President Ken McClelland. In attendance were as follows: Ernie Romito, John Warren, David Willems, Travis Hall, Jack Dernorsek, John Handis, Paul Jencka, Ken-Jake McClelland, C.R. Meyers, Rob Rossi [Note: One must sign the sign-in sheet in order to be listed amongst the attendance.]

Old Business

Ticklers – None.

B17 Tour Stop requested by EAA • We gave headquarters a resounding “No.” • They sent us the new commission sheet, but it is still very vague. • Discussion of Washington County Airport..

Steve's trip to Colorado was a success. • Pallet wrap on fuselage. ◦ Wrapped the wrong way. Had to rewrap.

May Meeting: Supposed to tour the helicopter facility, next week. • Cannot get a response from them. • John W. has to go over to the facility and talk to Trevor.

Women's Air Race coming up. • June 22, Connelsville. • We are signed up to Air Marshall the planes. • Crowd Control ROTC/CAP • Timers are already lined up. • Not acting like a Pit Crew. When on the ground, the clock stops. • Pilot Get-Together, Tuesday May 12, 6PM in terminal building to discuss race. • Planes are fueled in the order they arrive.

Blue Angles visit/Westmoreland County Airshow

- Arvin will be signing up people next Friday
- Day before the Air Race. Treasurer's Report Treasurer not here. Neither is the report.

New Business

Visitor Dave Willams (not Dave Williams): Seeking advice on Adventure Amphibian Model 334 project that he picked up. • Happy Miles sold them through the 1990's ◦ Poor safety record. Flutter? • Should Dave abandon it, sell it, or build it? • Jack – You shouldn't build an airplane that you are not confident shoving in the throttle on first flight day. Get out of it. • Ken-With two flutter accidents, you may not want to continue.

Ken bought his struts in Harrisburg.

Travis – Latrobe Museum at the airport. Name: KLBE Museum. •Full-motion simulator (RedBird). ◦ Configured to be a Baron. ◦ Not getting used. Might be available for rent. ◦ Travis – If we had access to a full motion simulator, what would we do with it? • Jack asked many questions about the museum. ◦ Eventually suggested we could visit the place during the show next month.

Ernie R. motioned to adjourn. John Handis seconded the motion. Motion carried. Travis Opposed.

Meeting adjourned at 20:31 EDT.

*** Although these meeting minutes are a few months old, these are the last minutes sent to your editor. They are presented here as a record for membership to show the activities of the Chapter 45 Board of Directors /Officers. -ed*
