President's Corner

Presidents Corner

Fellow MVRC Members:

We finally had our fun fly. Weather and schedules came together. We had great food, great prizes and the events turned out to be excellent. The touch and go was the first event, followed by the short field landing, then the balloon break and finally the limbo. There were no losers, everyone who flew got a prize. Bill Kirkpatrick took first place. Great flying Bill !

We would not have the great prizes if it were not for our great hobby stores donating and extending discounts. Next time you are at their store please extend your appreciation and thanks to: Tailspin Hobbies and Tower Hobbies.

The next time you see the following people please extend your special thanks for volunteering:

Jason Smereczaniak , Steve Denk and Jerome Moran did the cooking,, great food
 Rick Altomari, Pilot management assisting each contestant getting their plane ready to fly
 AJ and Rob Geary, Event judges, great score keeping
 Bob Walter, Awesome prizes
 Mike Eiben, Safety Coordinator, all went very well, not a single incident.
 More photos are included in the newsletter, thanks to Jennifer Denk and Enrest Scavincky.
 The summer months are flying by. The days are going to start getting shorter. Get out there and fly!!
 Keep healthy, be safe, have fun flying !
 Al

Al Kozusko is on vacation and in lieu of the *President's Corner*

Treasurer's Report

(Treasurer absent, No report)

Secretary's Report

(Secretary absent, data inserted verbatim from July meeting)

1. Discussion on pilot positions
2. Executive committee report-Jeff Sumey
3. Extending Safety Barrier-Rick Altomari
4. New Member

Editors Comments

I, Walt Severyn, will make a few comments. For the time being, I will attempt to continue the MVRC Newsletter until further notice, unless there is another volunteer. I encourage members to contribute to the newsletter with their new projects, including photos, etc. If interested, please send your information for publication by the middle of the month, as I intend to distribute the newsletter by the last week of the month (before the monthly meeting, which, of course, is the First Friday of the next Month).

Printing, folding, labeling, stamping, etc, the newsletter prior to mailing is time-consuming and, as a consequence, that part of the newsletter will be discontinued unless someone wishes to volunteer. In this electronic age, member can use the computer to access the newsletter. If one doesn't have one, surely one can use your grandchildren's computer. As you know they are whizzes at the computer. The newsletter will be sent by email to all who have email listings and also will be posted in our website at www.monvalleyrc.com . Please email Al Kozusko with your email address or grandchilds or fellow member address.
