

President's Corner April 2021

We have had some nice days over the past few weeks and I hope you have been taking advantage of them. I have not been to the field since New Years Day, but I plan get there soon.

Rick informed me that the mowers should be ready to cut this week.

Ray has arranged for the field to be rolled this Saturday, April 17th. The field will be closed for flying while rolling is in progress.

Weather permitting, we will have a club meeting on Friday, May 7th. If dangerous storms are forecast, the meeting will be canceled.

I would like to thank VernaMarie Harding for planting flowers in the flower box at the sign at the entrance of the field. They are in memory of John Millard and Marge Fanala.

Hope to see you all soon,
Mike Eiben
